and even more FABULOUS items!

About The FETCH Foundation:
The FETCH mission is to serve our community while saving you and your pets. Saving Lives. Changing Lives. FETCH was created to help pets in an emergency by developing The FIDO BAG Program, which supplies local fire departments with necessary pet emergency equipment and training so pets can receive medical help IMMEDIATELY at the point of rescue! The SEARCH and SERVICE Program identifies dogs that have been discarded or surrendered whose personalities may do well as Search and Rescue K9's or become Service Dogs a.k.a. "Homeless to Heroes"
